Class Representatives  
Cynthia Jay And Rich Mangan

Well, we have made it! We are now full-fledged doctors! Over the past four years each of us has grown both individually as well as professionally. Along the way we have shared everything from class notes to pizza. We have had many good times and shared some good laughs. The friendships we have made are those which cannot be diluted by time or by the miles which may separate us.

The education we have received at ICO has put us at the top of our field. Now it will be our responsibility as Doctors of Optometry to keep abreast of the ever-changing profession and to always seek to increase our knowledge base. Hopefully this responsibility of keeping up with our profession will lead us to enroll in continuing education classes at ICO and therefore give us the opportunity to stay in touch. See you at our Five Year Reunion!

Best of Wishes to Each of You!  
Sincerely, Cynthia and Rich

THE WIND BENEATH MY WINGS

It must have been cold there in my shadow,  
to never have sunlight on your face.  
You were content to let me shine, that's your way,  
you always walked a step behind.  
So, I was the one with all the glory,  
while you were the one with all the strength.  
A beautiful face without a name for so long,  
a beautiful smile to hide the pain.  
Did you ever know that you're my hero,  
and everything I would like to be?  
I can fly higher than an eagle,  
'cause you are the wind beneath my wings . . .  
Thank God for you, the wind beneath my wings.

I cherish the earthly life God allowed us to share - thanks for giving of yourself when you were too exhausted to give; for without you, graduation would not be possible. ## FAMOUS LAST WORDS

**JODI ACHARYA:** I would like to thank Neal for all the love and support he has given me these last 4 years I have been at ICO.

**SABIHA ANSARI:** Best of the future to the class of '91.

**JANE BACHMAN:** Thanks to my family and friends for all of their love and support. We did it!

**PAULA BARRETTE:** After the friends I made at Valpo, I never thought I'd make such close friendships again . . . but I did. I'll miss you.

**MARK BREI:** Good bye, good luck, take care. See you in the afterlife.

**TODD BROWN:** Pain is temporary. Pride is forever.

**MARK CANFIELD:** Thanks to all my friends and family for sticking with me through good times and bad.

**BOB CHRIST:** There is a positive correlation between optometry and ichthyology — just ask anyone with a fish shirt!

**ANNA CHRISTOPOULOS:** A heartfelt thanks to my family for their ongoing love and support. The four years at ICO have filled me with many memories and some special friendships.

**VANESA COHEN:** Thank you, Randy. I couldn't have done it without you.

**LIDIA DIAKIW:** A special thanks to my family and friends for their continual love and support throughout the ICO years.

**BEN DONALD:** Happy trails.

**PAUL DUBBELS:** See you at CE courses.

**CATHY EGGERT:** To my family, friends, and especially my husband, thank you for all your encouragement and support these past four years.

**MAUREEN FAHEY:** Don't be dismayed at good-byes. A farewell is necessary before you can meet again. And meeting again, after moments or lifetimes, is certain for those who are friends.

**BETH FELD:** Best of luck and many thanks to all those who helped me get thru camp in one piece: Anup, Clare, Paula, Mervi, Sheri, Greg, Mary . . . I've had some great times these past four years (even though most of them were during vacations).

**MARY FLYNN:** Life is for living!

**MIKE GOULD:** I just would like to thank everyone who believed in me.

**WALLIE GUERRANT:** I've done my time!

**BRIAN HAAG:** ICO has been good to me, especially the staff doctors, teachers, and, most importantly, all the friends I have made. ICO is an excellent school, but without the friendly people who make it up it would be nothing special. I learned a lot at ICO, in the classroom and outside, and I leave behind me a lot of fond memories, but I carry with me the wisdom of a doctor and the inspiration of my fellow classmates and optometrists. The building (and my money) remain behind at 3241 S. Michigan, but its thoughts and ideas will be with me always. I look forward to, along with my fellow newly graduated doctors, helping others to see and fully realize the world around them. It's a great career and I'm glad to be a part of it!

**TOM HONG:** It was a long and memorable four years. Became a husband, got to know

## FAMOUS LAST WORDS

Chicago, and learned to be an O.D. . . . End result a Big Debt! Good luck everyone.

**MARTHA JACKSON:** Having a positive attitude will get you far!! (P.S. Thanks. Linda, for the use of your long white trench coat.)

**ROB KASHIN:** When I arrived at ICO I knew nothing and nobody. Sometimes my home and family seemed so far away, but the friends I have made here, in Chicago, bridged that gap and became a second family. Upon leaving ICO I know optometry and I have some dear and truly great friends. I am altered . . . permanently! I drink a toast to my extended family.

**JAY KAZE:** I would like to thank my family for their support. My wife Julia, sons Jayson and Joshua, daughters JoAnna and Janet.

**WES KEMP:** Thanks to my family for being here through the four years and being my support through it all.

**RICH KOOP:** I am outta here!

**JANNA KUBA:** Thanks Mom and Dad for all of your support. I couldn't have done it without you!

**YVONNE KWAPIS:** Real difficulties can be overcome; it is only the imaginary ones that are unconquerable.

**TAMMY LARAMIE:** I wish everyone the best in pursuing their optometric careers. It's been a long four years but we made it.

**RICH MANGAN:** Probably what I'll retain most from my experiences at the Illinois College of Optometry is my 1.50 diopters of acquired myopia.

"You've got a friend" - James Taylor  
"just call" - AT&T

**CHRIS MARQUARDT:** Mom, Dad, Laura, Grandma & Grandma, Sheri, Kenny, Rick, Amy, Deb, Brenda, Connie, Butch, Calvin, and Hobbes — you're all the greatest and have made this experience much more tolerable.

"Don't ask me, I'm just improvising" - Neil Peart

"Make it so" - Jean-Luc Picard

**HOLLY McLAIN:** Special thanks to my husband, Michael, for his love, understanding, and support.

**BILL METZGER:** A very special thanks to Pat, whose love and support carried me these four years — and to Clare and Jonathon; I can never have a bad day as long as you're around.

**KIM MOST:** I will miss many of the friends I've made over the past few years. also wish everyone in the class of '91 success.

**AMY MOTT:** Good luck and best of wishes to everyone.

**LISA NADEL:** Although Shakespeare said "parting is such sweet sorrow," in my case parting is *pure sweetness* and I leave the sorrow for those who remain.

**DONNA NORDER:** Thank you to my husband for his patience and understanding over the past four years.

**GERI NYBOE:** The eye is the lamp of your body. When your eye is sound, your body is full of light.

**ROB PATE:** "Never before in the annals of human endeavor has so much (money) been owed by so many (class of 1991) to so few (the ICO administration)." — with apologies to Sir Winston Churchill.

## FAMOUS LAST WORDS

**EVELYN PEREZ:** The dream has become a reality. Special thanks to all of you for the support, encouragement, laughter, love, and friendships . . .

**ANDREA PETERS:** Good luck to all my fellow classmates. May we all be healthy, wealthy, and wise. Now let's start having fun . . .

**MARY-JO PIERCE:** Birth, kindergarten, grade school, junior high, high school, college, ICO (finally) . . . and the course of life continues . . . happily ever after . . . Reminisce with a smile and an enormous sigh of relief. And welcome to the *real* world (where you don't always have to write legibly in black pen).

**GARY PRUZINSKY:** It seemed as though the years would never end, yet as I look back on my experience at ICO it seems only yesterday that we took our first quiz.

**CINDY REYNOLDS:** ICO — and experience I'll never forget.

**DOUG RIENKS:** Touchdown Nebraska!!! Yes Linda, we will pay off my student loans . . . someday.

**RICHARD ROBERTS:** I am glad I had the opportunity to meet and get to know everyone in our class. I wish all of you good luck in your future endeavors and please look me up when you ever visit Washington state.

**DEB SCHAUMBERG:** Yippieeeeeeeeeee!!!

**CAROLYN SCHNEIDER:** Thank you Mom and Dad and all of my family, especially my son Thomas, for your support. I couldn't have done it without you. Thanks Steve for hanging in there with me! I made some wonderful friends here in the last four years and I will miss you all!

**AMY SMITH:** Thank you Mom and Dad for all of your love, support, and patience! Thank you Michael for putting up with me and helping me through this uphill climb! Thank you "Ma" for *everything*! Thank you Aunt Marion for all the "goodies!" Thank you Dr. Guyan for having confidence in me and for waiting! Thank you to everyone else who had a part in helping me. - If you're ever in Litchfield IL, look me up under Amy D. Cunningham.  
- For audio-visual assistance please call the ICO library A/V department!!!

**DAVE TURTLE:** Thank you Dad and Mom.

**BILL VELARDI:** This book, along with my entire career, I dedicate to my parents William and Delores Velardi, without whom I could not have made it. I Love You — Willie.

**MARK WADE:** Eye owe, eye owe, it's off to work eye go!

**KAREN WELDON:** Good luck to the class of 1991 and thanks for the great memories.

**ROBERT WOLF:** Freedom of the hills.

**PAT WOO:** "Perseverance in the teeth of adversity is a phrase that describes nearly every one of Kurosawa's main characters." -Noel Burch.
